ACS reserves the right to amend this document at any time. Parents will be notified of these amendments through the weekly school email bulletin.

ADMISSION

Registration begins in January for the following school year. Current school families may register first, and then open registration begins in February. Registration applications require a **non-refundable** registration fee and required documents listed below. Priority is given to current students and their siblings, then to registered and supporting members of St. Catherine, St. Luke, or Sacred Heart, and then to others.

Annunciation admits students of any race, religion, and ethnic background.

Children entering Pre-Kindergarten must be 4 years old before September 1; Kindergarten 5 years old, First Grade 6 years with documentation of completion of Kindergarten. (Florida Statute 232.04)

Florida state law also requires that immunizations must be up to date before the start of school. Students are required to have the appropriate immunization and school entry health forms in their school files. The Diocese of St. Augustine does not recognize any immunization exemptions, including those based on religious grounds.

The following items must be on file in the school office by the beginning of the school year:

- *Florida Certificate of Immunization (blue DH 680)
- *School Physical within the past 12 months. (Yellow DH 3040)
- Birth Certificate (clear certified copy)
- Social Security Card (clear copy)
- Baptismal Certificate (for Catholic students)
- Student's last two years' report cards (Grades 1-8)
- Most recent standardized test scores (Grades 3-8)

**Originals required if beginning or entering school for the first time in Florida.*

The Catholic Church and Annunciation Catholic School recognize parents as the primary educators of their children. The education of students at our school is a partnership between parents and the school. If, in the opinion of the administration, the partnership is irretrievably broken, the school reserves the right to require the parent to withdraw his or her child. This is a very serious decision that is not made lightly.

IMMUNIZATION GUIDELINES

All students entering school for the first time are required to have proof of immunization against diphtheria, pertussis, tetanus, polio, mumps, measles, Hepatitis B, Varicella (or date of disease), and rubella. Children entering, attending, or transferring to 7th or 8th grade are required to have a second measles vaccination (preferably MMR), and a tetanus-diphtheria booster. Children entering PK must have the Hib immunization. Annunciation follows the immunization guidelines of the State of Florida and the Bishops of the Province of Florida. The Diocese of St. Augustine does not recognize any immunization exemptions, including those based on religious grounds.

EDUCATIONAL NEEDS

The Catholic School community in the Diocese of St. Augustine has a goal of helping all children reach their full potential intellectually, emotionally, and spiritually. Individual schools establish admission policies for their own schools, which enroll students who are able to manage in a traditional classroom setting.

ATHLETICS

Annunciation is a member of the Catholic Elementary School Sports Conference comprised of the Catholic elementary schools in the Diocese of St. Augustine. We follow all diocesan Catholic Elementary School rules. The purpose of this Conference is to schedule games among school teams and to provide opportunities for healthy athletic competition among the schools.

Students in grades 6-8 with a C- or above in each class are eligible to try out for the school basketball, cheerleading, soccer, softball, and volleyball teams.

Team membership is determined at tryouts; the level of skill, motivation, and attitude are factors in the selection of the team.

Each student athlete must have the notarized diocesan health form completed and on file in the school office before being allowed to try-out. This form consists of:

- physical exam form signed by physician and dated after June 1st for the upcoming year
- medical history form completed by parent
- notarized parent consent form

Forms dated after June 1st are good for all sports during the entire school year.

The school charges a fee for each sport in which the student participates to cover the cost of uniforms and equipment, game officials, and membership in the Catholic Elementary School Sports Conference.

Sports uniforms issued by the school must be returned if a student is removed from a team due to academic or behavioral ineligibility. All sports uniforms must be returned clean within a week of the end of the sports season. Report cards/student records may be held until uniforms are returned in good condition or the school is reimbursed.

A student may not attend a practice, game, dance, or any school activity the day of a school absence. Students must be present more than 3 1/2 hours to attend any extracurricular activities that day or night.

Non-participating students (including siblings) are not allowed at sports practices or games unless accompanied by an adult. If unaccompanied by an adult they will be sent to Extended Day and may be charged accordingly.

RULES OF ELIGIBILITY

1. A student becomes academically ineligible if he/she receives a grade below C- (70).
2. Students' grades are evaluated at mid-quarter and at the end of the quarter (report cards) for eligibility.

3. If the student is academically ineligible, the length of suspension is five (5) academic days for suspension at mid-quarter; ten (10) academic days for suspension at report cards. The suspension begins on the day following distribution of mid-quarter and quarterly grades. Eligibility may be regained following the suspension if the current grades adhere to the rules of eligibility.
4. A student may not receive a report card comment of unsatisfactory.
5. All students shall be given equal opportunities to try out for all teams and eligibility rules shall apply when a student is part of the team.
6. If a student is ineligible at his/her school and then transfers to another school, the eligibility status will be carried over to Annunciation.
7. The Pastor or Principal may at any time declare a student, by lack of school attendance or improper conduct, ineligible.

“All Star” selections: Players who are suspended from athletic teams due to grades or conduct will not be eligible to be selected for “All Star” teams.

ATTENDANCE REQUIREMENTS

Regular and punctual attendance is the first step toward school success.

1. Students should be in attendance a minimum of 150 school days to qualify for promotion to the next grade level. Both excused and unexcused absences are included in this calculation. Under conditions that warrant special consideration, the Principal will make the final decision concerning promotion after discussions with the parents, teachers, and the Pastor. After excessive absences, a conference with the parents will be required in order to address the impact the absences are having on the student’s learning and how to resolve this impact.
2. **Absences** - EXCUSED ABSENCES include only illness, accident, or death in the immediate family. Any other absences are UNEXCUSED. Parents are asked not to take students out of school for family vacations. Teachers are not required to provide assignments prior to UNEXCUSED absences.

Lengthy absences require a doctor’s note approving the child’s return to school. An absence of 4 consecutive days requires a doctor’s note to receive credit for makeup work.

Students are required to make up all missed work upon their return. A student will be allowed one day per each EXCUSED day of absence to make up required work and tests. For extended absences of more than two days, parents should consider coordinating the make-up schedule with teachers.

An absence note is required when the student returns to school. This note must state the student’s name, the date and reason for the absence, and must be signed by a parent. Parents may be notified in writing after the fifth day of absence requesting cooperation in preventing further absences.

If it will result in an absence or tardiness, parents are required to provide written documentation if their child receives educational services off campus. (e.g. speech or occupational therapy)

3. **Tardies** - Tardies are disruptive to school routine and should be avoided. The school day begins promptly at 7:45 am. Parents must walk tardy students into the office to fill out and sign a tardy slip. Students arriving after 7:45 am are not be admitted without a tardy slip.

After five unexcused tardies, a conference will be required and students may receive disciplinary consequences. An unavoidable tardy does not count if the office receives a message by 7:00 am.

Note: Attendance issues such as excessive tardies or absences will be addressed by the school’s Discipline Committee on an individual basis.

4. **Early dismissals** – Parents are asked not to take children out early unless it is an emergency. Appointments should be scheduled for school holidays or after hours.

Teachers ask to be notified in writing and in advance so they can have the student packed up on time. A student who arrives late or leaves early must be signed in or out of the office by a parent/guardian.

During the school year, office hours are 7:00 am to 3:00 pm, and the office is **closed from 2:15-3:00 for dismissal.** Phones are on night service during this time. If parents are not able to pick up a student at dismissal time, the student is brought to Extended Day in order to be supervised until the parent arrives.

Early dismissals should be conducted **before 2:15** so as not to interrupt the carline at the regular dismissal time.

5. Children who are present but have missed more than one hour of the school day will be marked ½ day absent. Those missing more than 3 ½ hours will be marked a full day absent.
6. A student may not attend a practice, game, dance, or any school activity the day of a school absence. Students must be present more than 3-½ hours to attend any extracurricular activities that day or night.

HOURS

Pre-Kindergarten	7:45 am -10:45 am
Grades K-3 rd	7:45 am - 2:35 pm
Grades 4 th – 8 th	7:45 am - 2:45 pm
Extended Day.....	7:00 am – 7:30 and 3:15-6:00 pm

Children in PK gather on the sidewalk by the Primary playground before 7:45. Children in grades K-8 gather by 7:30 am in the central courtyard for daily flag assembly. Upon arrival at school, students form an orderly line in the area assigned to their class.

Teachers are not on duty in the courtyard until 7:15. Diocesan safety policies require that students be supervised by an adult while on campus. Parents may wait with their children until the gates are opened or bring them at 7:15 or drop them as early as 7:00 to go to the morning Extended Day at the morning charge per child. If a student is outside school before 7:15 without a parent, the student will be brought to morning Extended Day and charged accordingly.

Students not picked up at dismissal time are brought to Extended Day and charged accordingly.

Fees are due at the time of stay.

EMERGENCY SCHOOL CLOSING

If the Clay County School Board closes public schools due to extreme weather conditions or other emergencies, Annunciation will also be closed. These county school announcements will be made on television and radio. It is not necessary for you to phone the school to verify this information. The school will re-open in consultation with the Office of Educational Services at the Diocese of St. Augustine; this may be earlier than the Clay County school system. Parents would be notified through the school's communication portal.

BOARDS

HOME & SCHOOL ASSOCIATION

The Home and School Association is a vital part of our school program. All parents/guardians are members and are asked to take an active role. A successful school depends on the volunteer services of the HSA. Three (3) general meetings are held per year.

The purpose of the organization is to promote the welfare of the school and its students by coordinating parental involvement in fundraising, communication, and social activities in agreement with the policies and procedures set forth by the Pastors and Principal. This very essential organization functions as a support for the teachers allowing them to devote their time to planning and the education of their students. It also serves to support and encourage parents in their most important and increasingly demanding role. The HSA links the school and family together in its efforts to provide a quality education and positive learning environment for the children of Annunciation.

HSA meetings follow an agenda and are intended to be constructive. Suggestions for the agenda may be given to the Principal or an HSA officer at any time in advance of the scheduled meeting.

Members of the Home and School Association have access to a Student Directory and are entitled to voting privileges.

SCHOOL ADVISORY BOARD

The Board is established by the governing Pastors and Principal, in accord with diocesan policy, to assist them in the governance of Annunciation. The Board is advisory in that the members cannot make decisions binding on the school without the approval of the Pastor, or his representative, and the Principal. The Board will advise in the formation and implementation of the policies governing operations and finance of the school. The Board will engage in activities that promote the good of the entire school community.

CELL PHONES and ELECTRONICS

Students are not to bring cell phones, electronic games, iPods, or MP3 players to school.

If any of these devices are seen or heard during the school day and during after school activities on campus, they will be confiscated and turned in to the office where they may only be claimed by a parent. Detention will also be a consequence. A second violation during the same school year will result in the school holding the phone until students are dismissed on the last day of school.

An exception to the cell phone rule may be arranged between the Principal and the parent for students who travel on foot or bicycle to school. Any other exceptions must be submitted to the Principal for approval.

SPINNERS

Fidget Spinners are not permitted on campus. Students with permission from a doctor will be allowed to have a substitute fidget item provided by the school. Parents are asked to communicate this need to the Principal.

CLASS PLACEMENT

Homeroom requests are not encouraged as it is difficult to accommodate multiple wishes for placement. Exceptions are for placements for twins, triplets, for any special learning needs, or if a student has a written report from a licensed psychologist/psychiatrist requiring a specific placement. Requests must be submitted to the principal in writing. Teachers, along with the Administration, are responsible for student placement.

COLLECTIONS

Neither students nor their parents may collect money from parents and/or students without the principal's permission. While there are many worthy causes for soliciting funds, any requests for collecting money for gifts or donations for individuals, groups, or organizations must be submitted to the principal for approval.

COMMUNICATION

Open communication and cooperation between the home and school is essential if students are to develop a positive attitude toward learning and school. Parents are encouraged to meet with teachers to discuss concerns about their child's progress. Conferences can be easily arranged by contacting the teachers through the school office. The teacher will respond to your request as soon as possible to schedule an appointment.

All notes sent to the school should be in a sealed envelope with the recipient's name and the sender's name on the outside to assure confidentiality and accurate delivery.

Any communication sent home via backpack from the HSA, school clubs, sports or homeroom parents must first be approved by the Principal.

Diocesan policy requires that emails between teacher and parents must be copied to the Principal and also that teachers and staff do not communicate with students via email.

Problems and questions should be discussed first with the teacher. If further clarification is needed, a conference with the Principal should be arranged. Lastly, if necessary, a conference may be scheduled with the Pastor.

Families are emailed a weekly newsletter. Parents may find individual class newsletters in ParentsWeb. All information is posted on the school website at www.annunciationcatholic.org

The following sources are used to communicate with parents, students, and the community:

- School and class newsletters and calendars
- Open Houses held in August and January
- Report Card Conferences at the end of Quarter I and other times by appointment
- Home and School Association meetings (3 times yearly)
- Parish bulletins
- Student tests and projects sent home for parent review and signature
- Notes from the teacher in the student planner
- ParentsWeb

DISCIPLINE CODE

It is necessary for a child to exercise self-discipline in order to learn responsibility and to make academic progress. Christian behavior is expected from all students. Parents are expected to cooperate with the administration to maintain this standard throughout the year.

The school's discipline policy is based on choices and consequences. Students who choose the action choose to accept the consequences of that action. **It is each student's responsibility to know and follow all school and classroom rules.**

A SAMPLE OF INFRACTIONS

- Disrespect shown to any faculty/staff member, authority, or peer
- Bullying or harassing including cyber-bullying via Internet or text message
- Unacceptable physical contact (fighting or public displays of affection)
- Stealing
- Cheating/Plagiarism/Talking during tests
- Forging or altering teacher/parent communication
- Leaving the teacher/ supervisor's presence without permission
- Inappropriate or disruptive behavior or language
- Repeated uniform infractions
- Possession of materials that represent ideas or groups contrary to the teachings of Jesus Christ
- Repeatedly coming to class without homework or supplies
- Chewing gum in classrooms and on school premises
- Possession of cigarettes, tobacco, alcohol, drugs, or weapons of any kind
- Damaging or defacing school property or uniforms; damage should be repaired or paid for by parents. Accidental damage must be reported to the homeroom teacher immediately and parents will be notified of the cost of repairs.
- Interfering/tampering with school or teacher settings on computers

- Inappropriate use of electronics
- Any inappropriate behavior, during either school hours or non-school hours, that would be contrary to our Catholic school philosophy, the teachings of the Catholic Church and/or moral standards, and which might negatively affect or influence the moral character and development of other students attending Annunciation.

CONSEQUENCES

Grade appropriate consequences will be enforced and will include the following:

- Verbal reprimand
- "Time out" from recess/class activity
- Removal from classroom
- Working lunch
- Note home signed by student, teacher
- Note home signed by student, teacher, Principal
- Phone call to parents alerting them to infraction
- Required parent/ teacher/ student/ Principal conference
- After school detention
- Before school detention (7:00 am)

The school reserves the right to decide the proper course of action for each individual incident. Student behavior calling for immediate administrative action will be dealt with accordingly. ISS (In-School Suspension) or OSS (Out-of-School Suspension) may be used for serious or repeated infractions. Multiple detentions could result in parent supervised written/ research assignment, service work to the school, ISS, or OSS. Any grievous infraction or repeated infractions of the school's discipline code may result in a parent being asked to have a student withdrawn from the school.

PERSONAL & SOCIAL RESPONSIBILITY

Students in all grades are taught the importance of tolerance and respect for their peers and teachers, just as they learn that they also are worthy of respect. Students are encouraged to report bullying behavior to an adult immediately.

Teachers create classroom environments that are safe and caring, develop classroom rules that promote respect.

Teachers investigate student reports and take seriously their obligation to investigate a situation thoroughly and to take proactive steps to resolve concerns in a timely manner. The school administration may become involved if the teacher deems the situation warrants this. Strategies are given to students, primarily in religion and Guidance Department lessons, to use in and out of the classrooms if they feel they are being bullied.

Parents are encouraged to discuss with their children strategies for dealing with situations in appropriate ways.

Children learn how to handle situations from observing and listening to parents and teachers as they resolve conflicts. Guidance from adults helps children learn to deal with interpersonal relationships in healthy ways.

DISPUTE RESOLUTION

(Diocese of St. Augustine)

Students and parents are presumed to be aware of established school rules and regulations in effect at the time of registration and as subsequently amended.

Students and parents shall have the right to be informed either orally or in writing of the school rules, which have been violated and of the specific grounds for disciplinary action.

The faculty and administration have consistently and diligently worked toward providing our students with a safe and wholesome atmosphere where education and values are taught and practiced.

In order to ensure this atmosphere, the following procedures will be enacted when necessary.

1. When there is a major violation or multiple infractions of the student code of conduct, which the handbook states result in suspension or expulsion, the student's parents/guardian will be called and informed of the violation. The parent may be required to immediately pick up the student from school. The student will thereafter be suspended from school until a decision is reached on the violation and the consequences.
2. A review board will be convened within 72 hours after suspension, excluding weekends and holidays, to consider the violation and the consequences. The review board will consist of the principal, other appropriate persons chosen by the principal and a teacher chosen by the student. The student and at least one parent/guardian will be present during the board hearing at which time the student will be allowed to present his/her case. The board will then make a decision, which will be enforced by the school.
3. Parents/guardians may appeal the decision to the Pastor for further review.
4. The decision of the designated pastor will be carried out and upheld by the school administration.
5. The disciplinary decision is not subject of appeal to the Diocesan Dispute Resolution procedure. However, failure of the school to follow its discipline procedure as outlined in the handbook is appeal-able. However, if the school has followed its procedures as outlined in the handbook, there will be no appeal.

- Annunciation hunter green gym shorts/gold PE shirt
- Athletic shoes that tie or Velcro with school uniform socks
- Navy blue, gray, or hunter-green sweats (no logos) may be brought to school on PE days between December 1 and March 1 **in addition to** regular PE uniform. Crew neck sweatshirts only. (No hoods, zippers, or buttons)
- Grades 3-8 only - solid or roll-on deodorant (no fragrances or body sprays)
- Water bottles

Sharing of PE uniforms is not permitted. Shorts and shirts may be purchased in the school office; sweats may be purchased anywhere.

Kindergarten children will wear PE uniforms and athletic shoes to school on scheduled PE days.

NON-UNIFORM DAYS DRESS CODE

Students will wear school uniform or PE uniform for field trips. On non-uniform days the following dress code guidelines are in effect: no jeans with holes, tops must have shoulder covering sleeves, necklines need to be no lower than the collar bone, and must be long enough to be tucked in. (no halter-tops, tank tops, bare midriff, or spaghetti straps). Leggings may only be worn with a skirt or dress and NOT a long shirt. If it is a PE day, students bring PE uniform to school. No makeup may be worn and "uniform" jewelry only.

Pants, shorts, and skirts must be worn at the waist. Shorts/skirts must be at the knee. Girls may wear mid-calf capris. No open heeled, open toed, sandals, or high heeled shoes. Tops must conform to the "4-finger" rule.

ACS reserves the right to decide on appropriateness of clothing for non-uniform days.

EXTENDED DAY

The Extended Day program is offered as a safe and convenient service for parents whose schedules prevent them from dropping off or picking up their children during regular school hours. The program operates only on regularly scheduled school days and is available from 7:00 am until 6:00 p.m. There is no Extended Day or Wrap-around when there is no school or on early dismissal days.

Students are supervised by school personnel. The Extended Day program consists of outside play, snack, supervised homework time, and quiet indoor games. The school discipline policy applies at this program as well.

Per child monthly fees are charged based on the time of pickup. Fees are due in advance on the first of each month.

Occasional Care is available at an hourly rate per child when arranged in advance so that adequate adult supervision and snacks for each child can be ensured. **Payment is due at time of stay.** After two Occasional Care stays, students must be registered in order to stay again. Emergency contact numbers are required.

Students not picked up on time at dismissal will be brought to Extended Day and charged an hourly rate per child. The charge is assessed in hourly increments and due at time of stay.

FIELD TRIPS

CHARGES

Field trips are booked and costs divided by the number of students in the class. If a student does not attend a field trip, full payment may still be required to cover expenses. The field trip is the course of study for the day. Siblings/non-students may not to be brought to field trips. See also the information about chaperones below.

PERMISSION SLIPS

All field trip forms require a parent signature and phone number for an emergency contact. Teachers take their own cell phones and list of parent emergency phone numbers.

PARENTS/CHAPERONES

In accord with Diocesan safe environment policy, only parents who have been screened as volunteers may serve as chaperones on field trips. Parents must be screened through the school office and have attended a "Protecting God's Children" workshop. Teachers determine the list of chaperones, and parents may not just 'meet up' with the class and are asked to comply with the school and diocesan guidelines for field trips off campus.

FORGOTTEN ITEMS

Any items left by students at home or in the car should be brought to the office. Please label these with the child's name and grade. The office will not call parents or allow students to call parents for forgotten items. Teachers will allow children to pick up these items from the office at an appropriate time to prevent intercom interruption of classes.

LOST AND FOUND

All articles of clothing, school supplies, and lunch boxes should be **clearly marked with the child's name**. Students are expected to be responsible for their own property.

Unlabeled found articles should be turned in to the office 'Lost and Found' box. Articles not claimed from the office within thirty (30) days will be donated to a charitable institution. The school is not responsible for lost or broken items left in Lost and Found.

GRADES

**GRADING SCALE
(Diocese of St. Augustine)**

Grades K-2:

- S** Student is proficient in meeting grade-level skills
- N** Student shows a developing understanding of skills, assistance is required
- U** Student shows little understanding of skills, cannot complete task independently

Grades 3-8:

- A.....90-100
- B.....80-89
- C70-79
- D60-69
- F.....59 and below

Grades K-8 Skills scale:

Skill assessment scores relate to a holistic measure of your child's development using a 4-point scale range.

- 4**.....Exceeds expectations
- 3**.....Meets expectations
- 2**.....Working toward expectations
- 1**.....Not meeting expectations
- ***.....Not assessed

Enrichment classes are those that do not meet on a daily basis: Spanish, music, PE, art, and technology.

Each teacher communicates the expectations for grades and schoolwork.

HONOR ROLL

Honor Roll begins in Grade 4 and takes into account the grades, skills, and comments received for the quarter in all major subjects, enrichment subjects, and conduct.

Honor roll for 4th -8th Grades:

First Honors: A 90 or above in all subject areas.

Second Honors: A 90 or better in at least one major subject (Math, English, Science, Religion, Social Studies, Reading); an 80 or better in all other subjects.

NOTE: Behavior is as important as academics. Any student who receives a conduct comment of unsatisfactory for any subject is ineligible for Honor Roll.

NOTE: *Plagiarism is literary theft. Plagiarism occurs when a writer duplicates another writer's language or ideas and then calls the work his or her own. Copyright laws protect writers' words as their legal property. To avoid the charge of plagiarism, writers take care to credit those from whom they borrow and quote.*

**NATIONAL JUNIOR HONOR SOCIETY
ANNUNCIATION CHAPTER**

General Criteria for NJHS selection:

- Honor Roll status previous year at least 3 of the quarters.
- 90% average (for all academic and enrichment areas) for current year and a grade of "A" in at least half of the major academic subject areas and with no grade lower than an 85%.
- Evidence of outstanding scholarship, leadership, service, citizenship, and character
- Approval of faculty

The Chapter publicizes its criteria, application materials, and circumstances for membership probation each year.

HOMEWORK POLICY

Homework is used to reinforce the learning experience that takes place in school. It gives students the opportunity to practice the skills taught in class, to develop independent work habits, and to complete projects and long-term assignments accurately, neatly, and punctually.

Parental homework responsibilities:

1. Take an interest in the homework but realize that homework is only beneficial if done by the student.
2. Provide the child with a definite time and quiet place each day to do homework.
3. Develop organized study habits by teaching children to check off assignments from the student planner when completed and to pack all homework and books in the backpack before going to bed.

Incomplete homework will result in lower grades on report cards. Parents will be notified if a student repeatedly fails to turn in homework.

Students in grades 2nd - 8th will be required to write all homework assignments in their student planner, which is issued at the beginning of the school year. If lost, students will be charged accordingly for a replacement.

To allow enough time for both written work and study, the following daily time allotments of **uninterrupted, quiet time** are suggested:

- Grades 1-2.....15-20 minutes
- Grades 3-430-45 minutes
- Grades 5-81 - 1½ hours

FINAL EXAMS

Final exams are mandatory in grades 5-8 as part of the final grade for promotion. If exams are not taken, a grade of zero must be factored in to the final average.

To preserve the integrity of the final exams, they are only given at the scheduled time to the entire class. If a student cannot take the exam as scheduled, a separate exam must be constructed which covers the same skills and concepts. Additional teacher time is required to construct and administer the additional final exam; parents should make every effort to ensure that students are present on exam days.

For any exceptions, parents must contact the principal well in advance (one month) if a student will be absent during the exams schedule.

REPORT CARDS

Report cards are issued quarterly at the end of each nine weeks. Grades are posted on the ParentsWeb for all students in Grades 3rd-8th. Teachers update grades weekly. Grades are based on class work, homework, class participation, extra projects, and test results.

Student grades are always available for viewing throughout each quarter on the ParentsWeb. At the interim point of each quarter, parents will be reminded to review grades and student work.

Parents should arrange for a conference with the teacher if grades are not within acceptable standards. Do not wait until it is too late for the student to improve the grades.

The first report card is given to the parent on the parent-teacher conference day scheduled at the end of the first quarter. Subsequent report cards are posted on the ParentsWeb, and parents will be sent a communication alert to inform them when report card grades have been posted.

Report cards through the ParentsWeb and online accounts may be blocked until school accounts are up to date. This includes tuition, fees, returned sports uniforms, textbooks, and library books. Student records are not transferred to new schools until all accounts are current.

PROMOTION AND RETENTION STANDARDS (Diocese of St. Augustine)

When a school accepts a student, it accepts the responsibility for educating that child. The performance of each child will be directed toward maximizing individual talents and abilities. The uniqueness of each student is a strong belief in the value system of our Catholic school, and every effort will be made to meet the varying individual needs among our students within the realm of local resources.

The following factors will be considered in the **Promotion** of a student:

- Class performance according to the grade level requirements
- Student age and ability
- Student achievement on tests and examinations
- Successful achievement of the required passing grade average

Pupil progression shall be based primarily on achievement of appropriate grade level skills. Other factors to be considered are mental and physical development, work and study habits, and maturation. Most students will be able to follow the school's regular program of sequential learning. However, testing, diagnosis, and actual performance may indicate that a student cannot complete a year's work in that given time; therefore, it may become necessary to retain a pupil an additional year in a particular grade.

When the probability of retaining a student arises, parents are to be informed and a decision is to be made as soon as possible. All necessary documentation is to be kept on file in the office of the principal.

Criteria for Retention:

The list below indicates the specific failure(s) on each grade level that could result in retention:

- Kindergarten... Lack of readiness in reading, math, and communication skills. At the primary level, special consideration in a decision to promote a student will be given to social, emotional and maturation levels. Consideration is also given to physical size and chronological age.
- Grades 1-3..... Failure in reading/language arts or math. Any failed subject must be made up in a summer program approved by the principal.
- Grades 4-8..... For promotion in Catholic school, a passing grade must be achieved in all major subjects: Religion, Literature, English/Spelling, Math, Social Studies, and Science. Any failed subject must be made up in a summer program approved by the principal. A maximum of **two** subjects may be taken in the summer.

Retention of a student is a serious responsibility and warrants a careful and complete examination of a student's performance and achievement. Not every academic problem can be remedied by retention.

SUMMER PROGRAM REQUIREMENTS (Diocese of St. Augustine)

For promotion for the next grade when a subject is failed:

- Any student failing one major subject must receive 30 hours of tutoring in that subject area.
- Any student failing two subjects must receive 50 hours of tutoring in those subject areas.
- The summer school tutor must be a certified teacher approved by the Principal.
- Documentation of completed summer work must be provided.
- The student will be required to take a test to prove proficiency before school begins.

INTERNET ACCEPTABLE USE POLICY (Diocese of St. Augustine)

For a student to use the school's Internet connection, he or she must read these guidelines and sign the school's contract. Please read this document carefully before signing.

By virtue of the values professed in all Catholic schools of the Diocese of St. Augustine, appropriate use of the Internet available to students and teachers on our school site is assumed. We are very pleased to bring this access to our school community and believe the Internet offers vast, diverse, and unique resources to both students and teachers. Our goal in providing this service to teachers and students is to promote educational excellence in our school by facilitating resource sharing, innovation, and communication.

The most important prerequisite for someone to receive an Internet access privilege is that he or she **takes full responsibility for his or her own actions and observes the moral teachings of the Catholic Church.** Although our faculty will provide appropriate guidance and supervision of Internet use, our school and the sponsor of this Internet connection will not be liable for the actions of anyone connecting to the Internet through this hook-up. All users and/or their parents or legal guardians shall assume full liability, legal, financial, or otherwise, for their actions.

Internet Terms and Conditions of Use:

1. All Internet access must be in support of education and research and consistent with the educational objectives of the Diocese of St. Augustine.
2. The use of the Internet is a privilege, not a right, and inappropriate use will result in suspension or cancellation of that privilege.
3. Do not post personal contact information about yourself or other people. Personal contact information includes your complete name, home address, telephone number, school address and credit card number. Do not agree to meet with someone you have met online. Report the incident to your teacher immediately.
4. Be polite and use appropriate language. Do not be abusive in your messages to others. Do not use obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language. Promptly report any message you receive that is inappropriate or makes you feel uncomfortable to your teacher. Remember that electronic mail (e-mail) is not private. Others also have access to all mail. Incoming e-mail will be received through a classroom account and may be reviewed by your teacher or the school's Technology Coordinator.
5. Do not attempt to access information that is profane or obscene, that advocates illegal acts, or that advocates violence or discrimination towards other persons. Messages relating to or in support of illegal activities may be reported to the authorities. If you mistakenly access inappropriate information, immediately tell your teacher. Do not show the information to other users. This will protect you against a claim that you have intentionally violated this policy.
6. Do not download any software without the prior consent of your teacher. Do not bring portable drives to school or use portable drives without your teacher's permission. Do not make any deliberate attempt to disrupt the computer system or destroy data by spreading computer viruses or by any other means.
7. The school specifically denies any responsibility for the accuracy or quality of information obtained through Internet services. Do not use information in reports, etc., without citing the source. Use of another's work without a citation is plagiarism.
8. Users may not post on personal Internet (ex. Facebook, Instagram) Site to which they have access away from school grounds, any pictures or inappropriate text comments that reflect a negative image of the school or school personnel, other students, races, and/or ethnicities.
9. All communication between faculty/staff and students/families should be done through the ParentsWeb or school email, not personal email accounts or social networking sites.
10. The use of diocesan or school logos and trademarks are strictly prohibited.

LUNCH & SNACKS

It is important for all students to start their day with breakfast before coming to school. Students may have a mid-morning snack.

We encourage healthy eating habits and polite table manners in our students. We ask that parents cooperate with teachers by sending healthy finger foods only for snack. If a spoon is required, the parent must provide it. Fruits, vegetables, dry cereal, and granola make good snacks. Water is available to children throughout the day, so a snack drink is not needed. Please remove the following items from snack/lunchboxes:

- carbonated drinks
- candy

Eating together should be a pleasant experience: courtesy and good manners are required. Children are expected to clean their own lunch area of papers and crumbs before leaving. **Students are not allowed to share another's lunch due to possible food allergies.**

Forgotten lunches are to be left in the office, labeled with child's name and grade. Students may claim them from the office before lunchtime. The office does not call for forgotten lunches. Students should notify teacher promptly when they discover they have no lunch.

Parents can check in at the office for a Visitor's Pass and have lunch with their child on any day.

Teachers sometimes choose to eat inside with their class. If a class is having lunch inside, limited classroom space does not accommodate visitors. ACS will follow the guidelines established by the Clay County School Board for eating outside in either extremely cold weather or extremely hot weather.

Parents are to remain seated with their own child during the lunch period.

Any other visitors must be pre-approved by the Principal and must sit in the pavilion with whomever they are here to have lunch with.

MEDICATIONS & ILLNESS

Parents/ guardians are informed promptly when a student is injured or becomes seriously ill while at school. This is logged in writing for school records. The school staff is prohibited from providing any medication, including aspirin, to any student. **Medications are to be taken at home when possible.** Medication that is prescribed three (3) times a day can be given before the student comes to school, after school, and again at bedtime.

Students may not remain in school if they have *symptoms* of conjunctivitis, diarrhea, vomiting, undiagnosed rash, or a fever. Parents will be called to arrange immediate pick up of their children. Students should be symptom-free without medication for 24 hours before returning to school.

The Diocese of St. Augustine has a "no nit policy" regarding re-admittance of students after head lice infestation. Students must be nit (egg) free before returning to school and must be accompanied by a parent/guardian before being allowed to return.

Students requiring medication, including cough drops & Chapstick, while at school must adhere to the following policies:

- "Parent Permission for the Administration of Medications" form must be completed and signed by the parent/guardian. **Handwritten notes are not accepted.**
- Changes in dosage or times of dosage must be communicated to the office by completion of a new "Parent Permission for the Administration of Medications" form.
- All medications must be brought in the **original container**. ALL medicines need to be labeled with the child's name and classroom. Prescription label must indicate student's name, name of medication, physician's name, dosage, and times for dosage. Utensil must be provided for dispensing liquid medicines brought to school.
- **Medicine will remain in and be dispensed from the school office.** A note from the parent to the teacher should request that the student be sent to the office at the time medication is needed. (Note: to prevent intercom interruptions, medicine will only be dispensed to children who report to the office for it.)
- Students may not have medication in their possession or in their lunch box during the school day. Students may keep **Chap Stick and cough drops** with them if they have a **dated, signed note from the parent** stating when the child is allowed to use it.
- There is a separate form for students needing inhalers or epi-pens. We **require two Inhalers and/or two epi-pens** which are stored in the school office and with their homeroom that will travel with them to their other classes unless there are circumstances, which warrant a special exception.

PARTIES

Parties are scheduled for Christmas and for the end of the year, and are planned by the staff and the HSA. Parents assist by donating items and supervising students.

BIRTHDAY TREATS

The day and type of treat **must be pre-approved** in advance when parents want to send in birthday treats for their child (this is so parents of children with special dietary conditions may bring in a substitute for their child). Birthday treats must be **pre-cut** and ready to be served by your child. Parents should drop off birthday treats in the office unless the teacher requests otherwise.

Invitations to parties are not to be distributed at school, nor should gifts should be exchanged between individual students.

PETITIONS

School policy prohibits the solicitation of letters and/or petitions among parents and/or students without permission of the principal.

PETS/ANIMALS

Please do not bring animals of any kind onto school grounds or the soccer and baseball fields. Parents have informed us of children with allergies and fears and asked that we enforce this. Animals are allowed in the classrooms at times if this coordinates with the curriculum and has been arranged by the teacher and approved by the Principal. This includes before, during, and after school.

PHOTOGRAPHY/PHOTOGRAPHY CONSENT FORM

Photographs are often taken of students at various school functions by school personnel (for example, sports events, science day, spelling bees, classroom activities, etc.) and used in school brochures, submitted to the newspapers, or on the web page. The form signed on the registration application gives the school your consent to use photographs that may be taken of your child in this way. It also gives consent for the school to submit your child's artwork or essays to the various contests that are available to schools.

Parents who take pictures or videos at any school function are advised that extreme care should be taken about what is shared, especially on social media. It is preferred if parents only post images of their own children and not of other students. In this of awareness of internet safety, all parents are asked to be sensitive to the privacy and welfare of our children.

RECORD REQUESTS

All requests for student records must be given *in writing* to the school, and there is a minimum of a 48-hour turnaround time to process requests. In order for records to be released, there may not be any outstanding balance on the family's school account.

SACRAMENTAL PROGRAM

(Diocese of St. Augustine)

One of the objectives of Annunciation is to foster the relationship of the child and family with the home parish community. With this intent the school provides the "core" religious education program while the parishes are responsible for the sacramental preparation program.

Implementation of the diocesan policy requires that each individual parish be responsible for the preparation of its sacramental candidates and the administration of the sacraments. Students will receive the sacraments in their own home parish among their own faith community.

Parents of 2nd graders and older students wanting to receive sacraments are required to register their child with the home parish in order to receive the sacraments and participate in the sacramental preparation program of the parish.

Annunciation is proud of the young people who are preparing to receive the sacraments of Reconciliation, Eucharist, and Confirmation. The school will do everything possible to support the students in their preparation and to encourage the spiritual formation and the bonding of the families with their home parish.

SAFETY

In today's world, all schools find themselves much more conscious of the necessity of being prepared for an emergency situation before it occurs. Annunciation parents may be reassured that we have an Emergency Management Plan in place and that teachers and staff have planned and practiced for a variety of emergency situations.

Children K-4 are given outdoor recess time at the playground. Playground rules are established and enforced by the classroom teacher with the approval of the Principal. Rules are appropriate to the age and grade of the student and are made with the safety of the children as the primary goal.

DRILLS

Emergency codes have been established and every teacher, staff member, and student knows how to react if a situation arises. Each classroom has a flip chart detailing procedures; drills for fires, bombs, tornadoes, and intruders on campus are practiced regularly. We maintain open lines of communication with authorities in the county and diocese. Our weather radio alerts us to severe weather conditions. Intercoms and telephones connect all school buildings with the office. Everything possible has been done to plan for the safety and security of our students in an emergency.

Cameras mounted on the exterior of our buildings allow for the monitoring of our campus. Security gates discourage unauthorized access to our campus during the school day.

ARRIVAL & DISMISSAL

Your child's safety is a primary concern of the entire faculty and staff. Your cooperation with the following practices helps us assure the well-being of all our students.

Teachers are on duty in the courtyard at 7:15 (office clock). Safety policies require that students always be supervised by an adult while on campus. Parents may wait with children until the gates are opened or bring them at 7:15 or drop them as early as 7:00 to go to Extended Day at the morning charge per child. If students are seen outside before 7:15 unsupervised, they will be brought to morning care, and the parents charged accordingly.

Students form an orderly line in the place assigned to their class by 7:30 a.m. for our flag assembly in the school courtyard. The tardy bell rings at 7:45 a.m. On very cold days (when frost is evident on the eaves of school buildings), students report directly to their classrooms.

Students not picked up at dismissal time will be brought to Extended Day and also charged accordingly. **Fees are due at the time of stay.**

Those needing to walk to the school at this time may park in the church lot. Parking is not permitted on either side of access road between Blanding and Old Jennings. Access road must remain clear to allow for emergency vehicles.

If a child arrives at school tardy or must leave early, drop off or pick up takes place **ONLY** at the school office.

While on campus, after dismissal, an adult must accompany students or they will be escorted to Extended Day where they will be safely cared for and regular charges prevail.

Parents and visitors are not to go directly to the classroom without checking in at the office. No one other than staff is permitted into buildings until dismissal is over.

TRAFFIC

Each vehicle in the pick-up carline is **required** to have a

name sign rubber banded to the visor on the passenger side. Pull visor down so name is visible outside while driving on school/church property.

Keep your speed below 10 MPH on school drive and below 5 MPH as you near the covered school canopy. Please, no cell phone use on school drive.

Safety should be everyone's first priority.

Follow directions of teachers and traffic volunteers and adhere to all rules of traffic safety.

- Cars may pull in/out of parking places between 7:45a.m. – 2:35p.m. Visitor Parking spaces are designated for this purpose.
- Cars may not pull in/out of any parking spaces between 7:15-7:45a.m and between 2:30-3:15 p.m.

During morning arrival and afternoon dismissal, cars enter and exit through Blanding Blvd.

ARRIVAL & DISMISSAL

Children will be waiting on school sidewalk under the canopy.

***ALL Cars: Identify your car by a visor sign with your family name and that of those in your carpool. Visor sign should be left down until child is in vehicle. Please be prepared to merge with St. Luke's Child Care Center traffic.**

SEXUAL HARASSMENT (Diocese of St. Augustine)

Catholic teaching recognizes that we are each made in the image and likeness of God and that we treat each person with dignity and respect. This teaching should be modeled by faculty and students alike from pre-kindergarten through twelfth grade.

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors and other inappropriate oral, written or physical conduct of a sexual nature.

Sexual harassment, as defined above, may include but is not limited to the following:

- Verbal, physical, or written harassment or abuse;
- Pressure for sexual activity;
- Repeated remarks to a person with sexual involvement accompanied by implied or explicit threats.

Any student who alleges sexual harassment by another student should bring this matter to the attention of the Principal, his/her teacher or guidance counselor. The Principal should ultimately investigate the incident. In determining whether alleged conduct constitutes sexual harassment, the totality of the circumstances, the nature of the conduct and the context in which the alleged conduct occurred will be investigated.

The Principal and school personnel should follow the Florida law relating to mandatory reporting of abuse. The Principal should contact the Superintendent of Catholic Schools and/or the diocesan attorney should any question arise as to reporting requirements or other counsel.

A substantiated charge of sexual harassment against a student shall subject that student to disciplinary action, which may include but not be limited to suspension or expulsion.

TEXTBOOKS

Textbooks remain the property of the school. Students are obligated to treat them carefully. **Textbooks must be covered at all times and kept free of writing and marks.** Failure to do this may result in disciplinary consequences for the student. Contact paper and tape are not to be attached to the cover of hardback textbooks. Students should cover books according to directions given by their grade level teachers. Textbooks are returned to the teachers at the end of the year, and allowances are made for wear caused by careful use. **Annunciation will charge full price for any book that is damaged or lost so that a replacement can be purchased. Damaged books remain property of the school.** Damaged or lost book charges must be paid before report cards will be issued or final records are transferred to any other school.

LIBRARY BOOKS & FINES

Library books are to be treated with care and respect. Students will be required to pay for books that have been damaged in any way or lost while checked out to them. Library books are to be returned to the Media Center when due. If the student has not finished reading the book, it may be checked out again. The fine for a late library book is a non-perishable food item for the food pantry to feed the hungry. Damaged or lost library books must be paid for before report cards will be issued or final records are transferred to any other school.

EAR BUDS & FLASH DRIVES

Students are required to leave their own personal ear buds at school for use in technology lab. Students in grades 5th-8th are required to own a flash drive (e.g. USB storage device) and bring it to every technology class. This counts as part of their participation grade. If a flash drive is lost or damaged, a parent note of explanation will prevent the loss of grade points.

THREATS AND HARASSMENT ***(Diocese of St. Augustine)***

This policy is available in the school office or online at the Diocese of St. Augustine website.

TUITION & FEES

Tuition may be paid in one of the following four ways:

1. Prepaid in full by July 15. (No FACTS fee.)
2. Paid in two installments via FACTS electronic funds transfer of half the annual tuition by July 15 and by November 15. (\$10 FACTS fee assessed.)
3. *Paid in 10 or fewer monthly installments via FACTS electronic funds transfer to be fully paid by April.
4. *Tuition and fees may be added together and paid in 12 (twelve) or fewer monthly installments via FACTS electronic funds transfer to be fully paid by April.
5. ***FACTS fee of \$38 will be debited from your account within two weeks of the finalized agreement for options 3 & 4.**

The parishioner tuition rate is allowed after the family has turned in the Pastor signed parish verification form to the school office; parishioners must remain in good standing in the parish (as determined by the pastor) to receive this rate. Fees for other goods and services (building fees, extended day, lunches, lost/damaged books or school property, incomplete service hours, etc.) are to be paid promptly. A late fee of \$25 may apply ten days after the due date. NSF fee of \$25 applies to checks returned by a bank for any reason. A second NSF event requires that all future payments be made by cash or money order. **Families with accounts more than 60 days past due have until the last day of the quarter to bring all accounts up to date. Otherwise they will not be accepted back for the next quarter.**

Fees paid toward the next school year will be applied to any delinquent balance the family owes in the current year and registration is canceled until the current year's account is cleared. Report cards/interim grades, honor roll & awards are not issued and student records are not transferred until all accounts are current. If serious financial difficulties caused by illness, death, job loss, or serious family crisis prevent a family from paying tuition, it is important that this be **communicated to the Principal immediately.** The school and the Pastors will make every reasonable effort to work with families who encounter serious financial difficulties. **All information is handled confidentially.**

FINANCIAL ASSISTANCE is available to those who qualify through 1) Step Up For Students or the AAA Florida Scholarship Fund, both Florida Tax Credit Scholarships; you may apply at www.stepupforstudents.org or www.aaascholarships.org 2) by speaking with your Pastor at St. Luke, St. Catherine, or Sacred Heart. Families must reapply each year for financial assistance.

VITAL INFORMATION CHANGE

For the security of your child, please help us maintain accurate records. **Notify the office if there is any change in phone number, address, work numbers, emergency contact numbers, or custodial status.** You can also update this on your ParentsWeb.

VOLUNTEER/VISITOR REQUIREMENTS

Volunteers are greatly appreciated. The Catholic Dioceses in Florida requires all volunteers/visitors to complete the Safe Environment Program. Exceptions are visiting for lunch (see lunch policy) or attending certain programs at ACS during the year. Safe Environment Packets are available in the school office or on the parents tab on our website. We do rely greatly on active parent and grandparent volunteers but will not be allowed to accept your help unless your Safe Environment Packet is on file. Thank you for helping us comply with these requirements designed for the protection of our children. **Please complete your Safe Environment Packet as soon as you can if you want to be involved at the beginning of the school year. Clearance takes several weeks, and a delay could cause you to miss an activity in which you would like to participate.** Visitor Passes are issued by the school office to those who are cleared through our Safe Environment Program who volunteer/visit for a class party, field trip, or other school functions. Volunteers/Visitors are required to sign in and out at the school office when arriving and leaving. The Visitor Passes must be worn on campus. This procedure enables us to be aware of all persons in our buildings during the school day and will alert our students to authorized visitors. As per Diocesan policy, **younger siblings or students not registered at ACS may not accompany parents** who are chaperoning field trips.

FAMILY SERVICE HOURS

*Every family is expected to contribute 12 family service hours **per semester** for a total of 24 hours annually. Each immediate family is responsible for their own service hours. Donations of used uniforms, school supplies or class party supplies valued at \$15 are equal to one service hour.*

The hours (or payment for the hours) are due before the semester or before year-end report cards, honor roll ribbons, and awards can be issued. The first 12 hours must be completed before Christmas break. The second 12 hours must be completed before the last week of school. We appreciate additional hours served but still require 12 hours each semester. Families who have not completed the service hour requirement will be assessed \$15 for each hour non-served before report cards, honor roll ribbons, or awards can be issued or the ParentsWeb can be accessed. **Families are responsible for maintaining their own service hours on the Parentsweb. See the policy on the parents tab on our website.**

To The Junior High Student and their Parents:

This handbook has been developed for **you**, our junior high students at Annunciation Catholic School. Our goal is to help guide you, in partnership with your family, in becoming a self-disciplined, responsible, and caring member of your community. The first step is to understand what is expected of you. It will be to your advantage to read this handbook carefully and to keep it available during the school year. Your teachers will help you understand it and will answer your questions. This Junior High Handbook Addendum is in addition to the other policies and procedures outlined in the whole school Student Handbook which the entire student body is expected to follow.

Please understand that ALL possible guidelines regarding school procedures and your behavior cannot be written in this handbook. Therefore, if you have questions about what is procedure, please ask.

Mission Statement

The mission of Annunciation Catholic School is to develop the potential of every child while fostering the Christian ideals of love, witness, and service in partnership with families and parishes.

Honor Code

“I pledge I have neither given nor received help with this work.”

Junior high students have a commitment to continued moral excellence. We understand the importance of truth and honesty, especially with regards to issues such as plagiarism and cheating. Junior high students will be asked to write and sign the honor code (above) when submitting tests and other work.

BOOK COVERS

Book socks are NOT allowed in the junior high. You must cover your textbooks with brown paper grocery bags and clear contact paper. **Textbooks must be covered at all times and kept free of writing and marks.** An uncovered book will result in using part of lunchtime to cover it and a conduct strike after a verbal warning. The only writing that should appear on a textbook cover is the student’s name and textbook subject.

CELL PHONES

Cell phones are not allowed at school.

CONDUCT CHECKS AND STRIKES

Inappropriate conduct on the part of a junior high student will result in a “conduct strike.” Three conduct strikes in a week will result in detention. Conduct strikes accumulate over the quarter and affect the conduct comments earned on report cards. Some examples of conduct that will result in a strike follow: uniform violation, disruption of class, disrespect.

Conduct checks are given for organizational concerns. Being prepared will help you avoid conduct checks. Part of being prepared includes having all supplies, assignments, a silent reading book and having a red ballpoint pen.

DISMISSAL

If there is ANY change in how you normally dismiss (even for after-school practice, rehearsal, or tutoring), you **MUST** inform your homeroom teacher. While on campus, after dismissal, students **MUST BE ACCOMPANIED BY AN ADULT** or you will be escorted to Extended Day. You may not attend a friend’s or sibling’s practice or rehearsal unless you have a parent or guardian with you.

ELECTRONIC DEVICES (Applies to Grades 6-8)

The love of reading is an important quality to instill in children. We know parents have worked hard to encourage their children to explore all that books have to offer. Some of you have even tried interesting your children in electronic books accessed on devices such as the Kindle or the Nook. In order to support you in your quest, we allow junior high students the privilege of reading electronic books at school. This privilege does not extend to playing games, accessing the internet, communicating or texting (without teacher approval-ONLY through the ACS network), making phone calls, taking pictures, or anything else that these devices are able to do. Students are not permitted to share personal devices. We rely on parents to monitor the books downloaded by your child to make sure that they are books that are appropriate for school. Students who abuse the privilege by downloading inappropriate books or materials or by using the electronic readers for anything other than reading would lose the privilege and no longer be permitted to bring the device to school.

FLAG ASSEMBLY

Only 8th grade students will sit in the pavilion while waiting for flag assembly to begin. They must speak softly and not interrupt faculty prayer in the west end. At the 7:35a.m. bell, students move quickly and silently to the sidewalk. Our 8th grade students are the example to all; the rest of the student body will follow this example. The 7th graders will sit and talk quietly in the area in front of the office until the bell rings. They will stand in silence when the bell rings and join the prayer/pledge leader with respectful and patriotic participation. As our student leaders, junior high students are expected to participate clearly and loudly in an exemplary way for the younger students.

HOMEWORK

Homework is important since daily class instruction is based on evidence of student understanding as shown on homework. For this reason, homework is a credit/no credit assignment and a zero is earned and recorded in ParentsWeb if incomplete. Homework assignments cannot be made up after due date. Projects and long-term assignments are required on the due date. The assignment grade is reduced by 10% per day until turned in. ***PARENTS* Please check the Parentsweb regularly to stay informed as no other notice will be sent home.**

IN-SEAT POLICY

For your safety, any time your teacher is called out of the room, you are to remain in your seat. You are not to get up to sharpen pencils, get a tissue, or for any reason until a teacher enters the room. Detention could result in not following this policy.

LOCKERS

Students will get organized quickly and quietly upon arrival in the classroom. Shifts will visit the lockers before the first class, before lunch, and before dismissal. During class, you are not allowed to retrieve any materials or work left in lockers or in the hallway.

LOCKER AGREEMENT

The use of a locker is a privilege and the following rules apply:

- ✓ Locks are to remain on the locker and locked at all times.
- ✓ Lockers are assigned to one student only and may not be shared.
- ✓ Switching of locks/ lockers is not allowed.
- ✓ All food and drink must go home every day.
- ✓ PE clothes and shoes go home after every use.
- ✓ The inside walls and door of the locker will remain free of pictures, posters, magnets, and stickers.
- ✓ Students are responsible for the contents of the locker. The school will not be responsible for lost or missing items.
- ✓ The administration, faculty, and law enforcement officers have the right to open and check lockers at any time.
- ✓ Replacement of a broken or lost lock will cost \$15. Damage to the locker will result in a fine.

If the rules are disregarded, the following consequences will result:

- ✓ Verbal warning
- ✓ Loss of locker privileges

MAKE UP

The use of make-up is not permitted. Medication for blemishes is allowed, with the approval of the principal.

PDA/DATING

Annunciation Catholic School promotes friendship, charity, kindness, love and respect for self and others. However, inappropriate displays of affection, such as kissing or embracing which denote more than simple friendship, are not permitted in school, at school dances, or at any school event. Those who violate these rules may be subject to disciplinary measures, including detention, suspension or expulsion. The administration reserves the right to determine what is, or is not, appropriate behavior in a Catholic school.

DETENTION

It is assumed that junior high students understand appropriate behavior and will not need to serve any after-school detention.

However, if a student commits an act of serious misbehavior, he or she will be required to stay for detention Wednesday after school. A notice will go home Tuesday for parent signature and return. A missed detention will result in serving two. **Any junior high student earning two detentions in a quarter will automatically earn a 1 for conduct.**

Repeat offenders may incur additional or more stringent consequences. To follow are only a few examples of conduct which would result in a detention: talking during a safety drill, getting out of your seat when the teacher is out of the room, chewing gum, using foul language, throwing objects, or defacing school property. Because your physical safety is a priority, roughhousing—any time your hands and feet are not kept to yourself—will result in a detention.

PLAGIARISM

Plagiarism is literary theft. Plagiarism occurs when a writer duplicates another writer's language or ideas and then calls the work his or her own. Copyright laws protect writers' words as their legal property. To avoid the charge of plagiarism, writers take care to credit those from whom they borrow and quote.

"plagiarism." The American Heritage® New Dictionary of Cultural Literacy, Third Edition. Houghton Mifflin Company, 2005. 21 Feb. 2008. <Dictionary.com <http://dictionary.reference.com/browse/plagiarism>>.

If a student is found to have plagiarized an assignment, he or she will earn an automatic zero for the assignment. A grade of 1 will be recorded for conduct on the next report card. Students who plagiarize more than once will be required to complete all writing assignments at school after the school day has ended under teacher supervision. Plagiarism is an automatic detention and results in immediate removal from NJHS.

RESTROOM

6th-8th graders will have designated restroom breaks when in classes with their own homeroom teachers. Each junior high student must sign himself/ herself out to and in from the restroom each time, using his or her homeroom teacher's clipboard. **ONLY ONE STUDENT IS ALLOWED TO SIGN OUT AT A TIME.** Please make use of restroom break times wisely. Restrooms and hallways are a quiet zone. Disruption of other classes or misbehavior during a restroom break can result in disciplinary consequences.

SCHOOL UNIFORMS

Skirt length for girls, socks for both boys and girls (classroom and PE), and boys' haircuts and facial hair will be strictly enforced per the school handbook. Uniform skirts and pants must be worn at the waist. The waistband may not be rolled. The skirt must be long enough to reach the knee. Socks must be either solid white or solid navy with no logos, stripes, or other designs. Boys must wear crew socks (above the ankle). Girls may wear crew socks or knee socks.

WEDNESDAY FOLDER

A folder will go home weekly with your work, school notices, and other important papers. Your parents must sign each individual piece of work inside the folder as well as the folder itself. Please return the signed folder and signed work to your homeroom teacher on Thursday morning. Missing or unsigned folders may result in a disciplinary consequence until the folder and signed papers are returned.

WATER

Junior high students may use only the appropriate water fountain during designated restroom breaks. Pre-filled bottles of water may be used after physical education class.
