## Annual Parish Approval Form (2019-2020)

Required of all families requesting Parishioner Tuition Rates from Sacred Heart-Fleming Island/Green Cove Springs and St. Luke **prior to the first tuition payment (not required to register)**

*Time*

*Talent*

*Treasure*

The life of our school begins in our parishes: Annunciation Catholic School is supported by the pastors and parishioners of Sacred Heart-Fleming Island/Green Cove Springs, St. Luke, and St. Catherine of Siena. Families should make a good faith commitment of time, talent, and treasure according to their gifts and the needs of their parishes. Faithful and regular attendance at one of your parish's weekend Masses is the first step of your thankful stewardship in the continuity of our Church tradition.

**Make an appointment with your pastor or his designated staff member well before your first tuition payment.** Help him to get to know you and your family. **Each parish has its own specific activity requirements.** Learn how you can contribute a portion of what is needed in your parish. Learn how much your gifts of the *Three T's* matter in the life of your parish and our school. Your contributions to your parish help keep Annunciation's tuition affordable while we provide a faith-centered, quality education in a safe environment.

Attendance at weekend Mass is the bedrock upon which families build their faith life. Showing your children the value and importance of weekly worship as a family is one of your highest callings. Demonstrate joy and respect for worship as you prepare to attend each week.

Warning letters will be sent to families whose regular attendance can not be demonstrated through the **\*honest use** of offertory envelopes. Failure to improve attendance will result in the family losing the parishioner rate for at least the next semester.

If this pattern is repeated, the family will lose the in-parish rate permanently.

**\*A family who attempts to violate this policy by having a party other than the student's parent(s) bring the envelope will lose the parishioner rate permanently or face the possibility of expulsion from Annunciation. Envelopes are to be given in the offertory and cannot be mailed.**

Ushers have been apprised of this policy.

 Rev. Ignatius Plathanam, CMI 904/264-0577

This family is registered and supports the parish.  
 In good faith of their continued support, I grant the family the Parishioner Tuition Rates.  
 Their ongoing support will be evaluated regularly for continued granting of these rates.
